2GB	SPCFA002G-JGCTC	WPCFA002G-JGITI	2GB	SRCFA002G-JGCTC	WRCFA002G-JGITI																								
<b>Description :</b>	<p>2020/09/11 Friday, APRO announced officially the EOL for HERMES-G SLC 1GB and 2GB CFast because the used controller is going to be EOL soon. Besides, there are no alternative solutions for SLC 1GB and 2GB CFast cards due to the old SLC flash IC's technology limitation and the new advanced controllers support newer and high capacities flash IC chips.</p> <p>If you have any questions about this End of Life notification, please contact your APRO account manager.</p> <p>APRO website Linking:  <a href="https://www.apro-tw.com/apro_en/CFast.asp">https://www.apro-tw.com/apro_en/CFast.asp</a></p> <p>Spec-sheet: <a href="https://www.apro-tw.com/Databank/Spec-sheet/SLC/A14009_SLC_CFA_HERMES-G.pdf">https://www.apro-tw.com/Databank/Spec-sheet/SLC/A14009_SLC_CFA_HERMES-G.pdf</a>            Datasheet: <a href="https://www.apro-tw.com/Databank/Data-sheet/SLC/100-xPCFA-JGTL_HERMES-G.pdf">https://www.apro-tw.com/Databank/Data-sheet/SLC/100-xPCFA-JGTL_HERMES-G.pdf</a></p> <p>Please refer to below active date's information for your earlier last order planning.            Last Order Date : Before 2020 / 12 / 10, Friday            Last Shipping Date: Before 2021 / 03 / 10, Wednesday</p>																												
<b>Alternative Solution :</b>	NA
