

Product Change Notice

Changed Product: PCMCIA ATA Card Metal Covers.	Doc. No.: PCN_099-XPAFC_Metal Cover_v1.0
	Date: 2025/04/17
Change Description and Rationale: The current AFC Metal Cover manufacturer has ceased operations, and a new factory has been established. The replacement AFC Metal Cover, maintain the same appearance, detailed dimensions, and materials as the previous versions. The bright surface treatment is the only different; These components continue to comply with AFA regulations. This change ensures uninterrupted supply while maintaining product consistency and regulatory compliance.	
Key Dates: The change will be active for all the new orders.	

Left New: Bright surface treatment	Right Old: Sandblasting rough surface treatment
